

# Voting results for **Catalyst Fund10**

## INTRODUCTION

### How to use this document

The Catalyst team would like to thank all proposers who have shown the courage to participate. We hope you gained something from the process, even if your project wasn't selected for funding in Fund10. **We always encourage you to re-apply again in the following fund.**

Below you will find a few terms and definitions that will help as you read through the results.

<b>PROPOSAL</b>	Title of proposal with link
<b>UNIQUE WALLETS</b>	Number of unique ballots cast per proposal Each wallet can vote only once per proposal
<b>VOTES YES</b>	Total voting power applied in favor of a proposal
<b>VOTES NO</b>	Total voting power applied against a proposal
<b>VOTES APPROVE</b>	Total voting power chosen to approve a proposal Fund Operations category only
<b>VOTES ABSTAIN</b>	Total voting power chosen to abstain from vote Fund Operations category only
<b>PROPOSAL BUDGET</b>	Funds requested by proposal

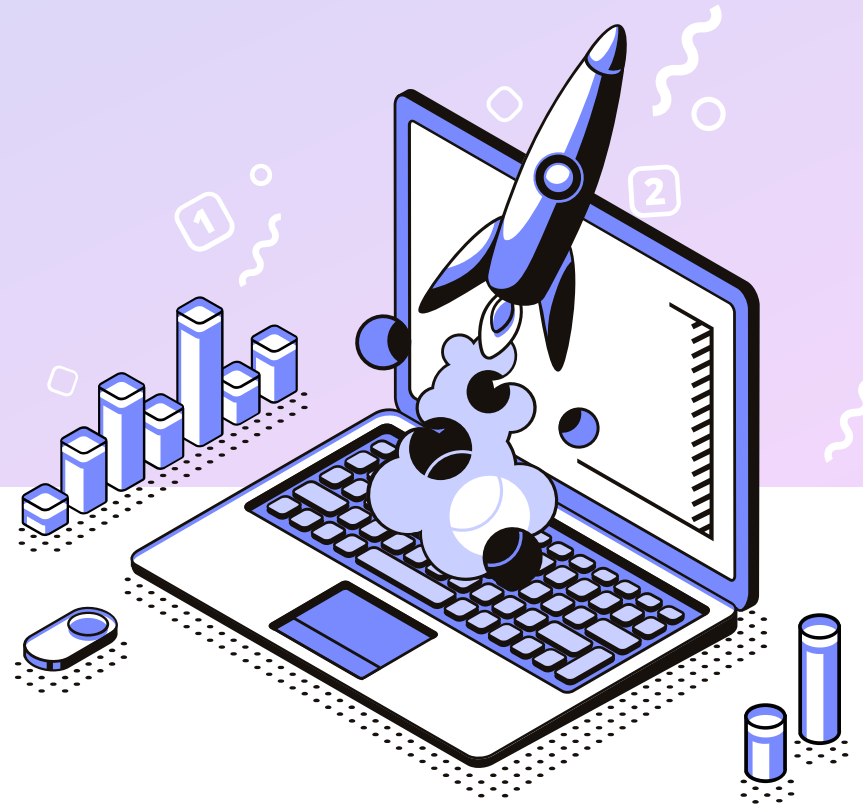

<b>VOTING RESULT</b>	Difference between voting power applied for and against a proposal  A positive value indicates more yes votes and a negative value indicates more no votes. The table is filtered in descending order according to this value. <i>Note:</i> For the Fund Operations category the community selects a single proposal with a choice to either approve or abstain.
----------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### STATUS

<b>FUNDED</b>	Funded Proposals. Congratulations!  Meets approval criteria; highest 'result' gets funding first; if approved but not enough budget remaining then move to the next one
<b>APPROVED</b>	Approved Proposal  Meets approval criteria; highest 'result' gets funding only; applies to Fund Operations category only
<b>NOT FUNDED</b>	Proposals that met criteria for approval, but whose budgets exceeded the remaining challenge budget  >1% of total stake voted (yes or no), >15% difference between yes and no votes
<b>NOT APPROVED</b>	Proposals that did not meet criteria for approval, and were not eligible for funding

# Fund10 Funded Proposals

## FUNDED PROPOSALS SUMMARY

### Which proposals received funding?

Votes have been tallied. Take a look at the proposals that **are going to be funded by the Cardano Community**. Many congratulations to those that have been selected!
